## ABOUT US

### Let us assist you in creating a stunning kitchen

We understand that the kitchen is the heart of your home—where your day begins and ends with your loved ones and where the entire family gathers. Our commitment is to provide stylish, high-quality cabinets that meet our clients' needs and tastes at an affordable price.

In 2023, PKB (Panda Kitchen & Bath) Cabinetry of New Jersey, took a new step in the company's direction by creating Panda Plus Cabinetry to introduce our flat panel cabinets to the market.

## ABOUT US

For over 20 years, PKB Cabinetry has offered high-quality Ready-To-Assemble (RTA) cabinets at great value, sourcing them directly from the factories we own and operate overseas. At Panda Plus Cabinetry, we aim to bring this same concept to our new modern Flat Panel cabinet lines. With our factory located in Central Jersey, we can maintain high quality and offer greater flexibility in selections and colors. Our pricing is competitive because you are buying directly from us, the factory. We look forward to working with you on your next kitchen project.

# WARRANTY

## CABINETS, HINGES, & DRAWER SLIDES LIMITED 1 YEAR WARRANTY

All our cabinets come with a limited 1 year warranty. PANDA PLUS CABINETY, LLC. hereby warrants to the original purchaser, for residential applications only, that all our cabinets and accessories, hinges, and drawer glide systems, are free from defects in materials and workmanship. This warranty is expressly limited to repair or replacement of the defective part at the discretion of PANDA PLUS CABINETY, LLC., and does not include labor for removal or replacement. This warranty does not extend to defects caused by improper handling, transportation, storage, installation, assembly or disassembly, intentional damage, product modification, exposure to the elements, including humidity, which may result in warping or splitting, accidental misuse, abuse or negligence.

PANDA PLUS CABINETY, LLC. reserves the right to alter design, specifications and material without obligation to make similar changes to products previously manufactured. The repair (s) or replacement (s) are contingent upon the current product offerings of styles and construction options with the PANDA PLUS CABINETY, LLC. product line at the time of warranty claim. If a warranty claim is filed after a product becomes obsolete, the manufacturer reserves the right to honor the warranty in one of the following fashions: 1. To replace the affected component with a new component of the same style. 2. If the same product/component is not available to replace the affected component with a comparable product from the manufacturer's available inventory offerings.

If components are replaced, PANDA PLUS CABINETY, LLC. cannot guarantee that the finish of these replacements will exactly match the finish and appearance of the components in the residential application. This is due to changes that occur during the wood's natural aging process that affect its color and grain.

**NO WARRANTY** is offered for any items not listed above.

## NATURAL WOOD DISCLAIMER FOR OUR BEVEL WHITE, SHAKER PANEL SERIES AND ALL PLYWOOD CABINETY BOXES.

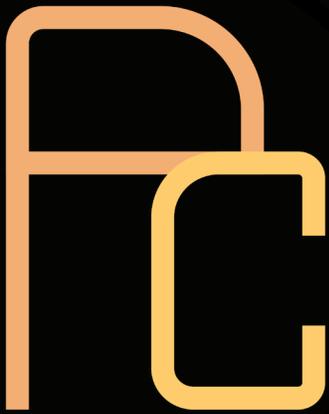

Variations in color and grain are a natural characteristic of wood. Changes in color on finished wood products can occur due to exposure to light and other environmental factors. These variations and color changes are not deemed defective and therefore are not covered in the claims process or under our warranty. (We strongly encourage ordering a sample door before buying).

Variations in our cabinetry's hand-applied finishes are what give each piece its distinctive look, and these variations are not considered to be defects in material or workmanship. The wood species, grain and porousness all have to be taken into account.

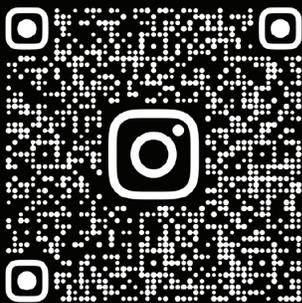

LIMITED 1 YEAR
